Dear Cody and Logan,

Thank you for NGE-TFT's generous in kind donation of the geotechnical explorations and report valued at \$7,178.00 to the Alaska Botanical Garden on 10/23/2014. Your support is greatly appreciated! Generous donations such as this make it possible for ABG to continue to grow and serve the community through its mission of education, preservation, recreation and research.

Sincerely,

Robin A. Dublin
