

**Josselynn Schneider-Curry, E.I.T.**

STAFF ENGINEER

---

**EDUCATION**

B.S. in Geological Engineering      2018      University of Alaska Fairbanks, Alaska

---

**GENERAL EXPERIENCE**

Josselynn has three years of experience working in construction related fields and applications. She began working for NGE-TFT as an Engineer in Training (EIT) as a full-time staff engineer in September 2018. Josselyn has a strong geologic background and is familiar with the Arctic from her education in Fairbanks, Alaska. Since starting with NGE-TFT she has further developed her experience with field exploration, site evaluation, and laboratory testing. Josselynn is efficient and thorough when completing tasks.
